

**FIRST BUY - THEN ATTACH CORRECTLY:
HOW TO ATTACH THE STICKER**

Car toll sticker:

Attach the toll sticker in a visible location on the inside of the wind-screen (our recommendation: at top left or near the rear view mirror).

Attention: Do not attach the toll sticker in the tinted section of the windscreen.

Motorbike toll sticker:

Attach the toll sticker on a clean and above all non-replaceable part of the motorcycle (e.g. a fork rod or the tank).

Attention: A toll sticker attached to a luggage case or a motorcycle bag is not valid.

**How to remove an
invalid toll sticker quickly and easily:**

Lift a corner with a glass or sticker scraper and then pull off the toll sticker. Moisten the remains with water and wipe off with a clean cloth.

These are subject to a separate toll tariff – the so-called section toll.

This is how it works:

- Purchase section toll tickets (individual single route or annual ticket) directly at the respective toll station in cash, with credit card, fuel card or cashpoint card.
- **Or:** Save time with the **Digital section toll:** Buy it simply either online in our webshop or via our ASFINAG app **Unterwegs** or at selected sales partners.

NOTE

18 DAYS CONSUMER PROTECTION PERIOD

Consumer protection is very important to us – especially as far as our digital products are concerned.

- **Digital Vignette:** Customers can withdraw from the online purchase of a product or service within 14 days. Attention: The day of purchase is not counted as one of these 14 days. Taking into account a further three-day period for mail, your Digital Vignette is only valid from the 18th day after purchase. In other words: In order to have a valid Digital Vignette on February 1st (from then only the 2018 Vignette is valid), you must purchase it online by January 14th, 2018 at the latest. This restriction of a consumer protection period does not apply to companies.
- **Digital section toll:** The 18-day consumer protection period also applies to the Digital section toll (with the exception of the individual single route ticket).
